

*We are sending you a note to thank you for your efforts and creative marketing of our home.*

*As you know, we dealt with other agents to sell our house but due to the uniqueness of our home, you had the positive attitude and the willingness to try a different approach to sell our house. Your patience and open mindedness brought a co-operation between us that helped sell our home.*

*Thank you again for your professional service and we wish you continued success in your real estate career.*

*Yours truly,*

*Angelo & Frances*
